

SAINT FRANCIS XAVIER MIDDLE SCHOOL PHILOSOPHY

The philosophy of our middle school is to nurture the development of responsible, thoughtful, faith filled citizens by creating environments in which students are challenged to explore, to create, to make decisions, and to actively participate in, and be accountable for, their own learning.

Through education, we recognize our gifts, and develop our potential, and draw these out in others.

We are listeners for the voice of the Our Lord, who made us and who continually calls to us.

We strive to REACH these values:

RESPECT

Show respect to everyone equally

EXCELLENCE

Strive to do our best in all things: spiritually, academically, and physically

AWARENESS OF GOD

Look for God in the ordinary events of everyday

COMMUNITY

Using our God given gifts for the good of the community

HOSPITALITY

Offer warmth, acceptance, and joy, in welcoming others
