PARTNERSHIP

Home and School working together is the key to our success!

A DAY IN THE LIFE AT ST. FRANCIS XAVIER

Classrooms have been arranged to allow for space between each student.

The main hallway is now one-way traffic and wings will have staggered schedules for hallway use..

Face masks are required in K-8. Outdoor classes and scheduled "mask breaks" will be provided.

All drop offs and pick ups will be done outside of the schools main doors..

Sports clubs and events will follow guidelines for youth activities.

Visitors and Volunteers will be limited to only those essential to the function of our school.

Hand washing and sanitizing will be encouraged throughout the day..

Hot lunches will served and eaten in our cafeteria with extra space between tables. Students may also bring a cold lunch.

Mass, for students and staff only, will be provided each Wednesday. We hope to invite parents and parishioners back soon.

Students will be provided with opportunities for recess daily using our outdoor spaces and play structures.

Group gatherings and assemblies will only be held virtually..

We are working with District 877 to develop a transportation plan for families.
